NEW VIEWS!

Mr. Melvin Vaniman is now at the
Volcano, where he hopes to get a photo
which will do the subject justice. His
wonderful photo of Honolulu, the largest
direct photo ever made in the is-
lands, not to mention the smaller, but
not less perfect pictures of the Paia,
Waikiki Beach, etc., place him in the
front rank of his profession. It is not
unreasonable to expect equally good
results from his present trip, which
will include all points of interest be-
tween Honolulu and the Volcano.

When completed Messrs. King Bros.,
who are associated with Mr. Vaniman,
will have a series of photos equal to
anything made anywhere, and which
will do more toward advertising the
islands than any other medium.

Part of the series are now ready and

Class of Children in Delsarte Is Organized.

POPULARITY OF THE LUNCHEONS

A Safe Has Been Presented to the
Association—Work of the
Various Classes.

The children's class in gymnastics
now being organized by Miss Lillian
Bacon under the auspices of the Young
Women's Christian Association, will
meet next Saturday morning in the
gymnasium of the Young Women's
Christian Association, for its initial in-
struction in posing, practical delsarte
and general gymnastics. The organiza-
tion of the class was only begun a
week ago, and from the start parents
became interested, and sufficient num-
ber to commence work with was soon
enrolled. The recruiting is still going
on, and by Saturday Miss Bacon will
have quite a large class of little tots.
A pianist has been engaged, so that all
class work will be done to the accom-
paniment of music. Miss Bacon is one
of the successful teachers of practical
delsarte, as evidenced in the drilling
of the young ladies in the adult class-
es.

Miss Mary Elizabeth Lewis, of Oa-
hu College, will give her lecture on
"Bible Story in the Early English
Drama," at the Young Women's Chris-
tian Association rooms this afternoon
at 4 o'clock. This will be the first of
her two lectures on biblical subjects.
The secretary announces that the ele-
vator, which has been laid up for a
week, will be in running order again
today, thus doing away with the pain-
ful climbing of four stories of stair-
ways.

The Christmas gifts class will meet
tomorrow evening. It is especially de-
sired that those who are interested in
the class will not wait until just be-
fore Christmas time to begin work, but
commence now, so that better results
can be accomplished.

Mrs. Merr has a very interesting
class of young girls in education and
physical culture. The class thoroughly
enjoys the physical, as well as the
voice training, and much interest is
manifested in the work.

The sewing class will meet on Friday
evening at the cottage of Mrs. Brown,
on Kinau and Kapiolani streets, and it
is hoped a large number will avail
themselves of the opportunity to assist
in some sewing for the Young Women's
Christian Association, as the meet-
ing has its social side.

A fine safe has been donated to the
Young Women's Christian Association
by Mr. Parker, of San Francisco, rep-
resenting the Hall-Marin Safe Com-
pany, who is now in Honolulu. Upon
his arrival in San Francisco, Mr. Parker
will at once ship the safe to this
city. The gift will be greatly appre-
ciated, as on two occasions the rooms
have been robbed of over \$200.

A well wisher has loaned to the as-
sociation for a year thirty volumes of
the library known as the "World's
Great Classics." These are at the
rooms of the association, and as soon
as they can be covered to protect the
binding, they will be available to the
members. The association is hoping
that some philanthropic person will
make a present of a Wernecke book-
case, sufficient to hold the library and
protect the books from dust.

In spite of the non-running of the
elevator for the past week the associa-
tion has been serving in the rooms on
an average of thirty luncheons each
day. The cozy rooms attract ladies
who are not members to partake of
the dainty luncheon provided, which
generally consists of soup, several
kinds of meat and jam sandwiches, pot
of tea, iced drinks and milk. The
rooms at luncheon time are animated
with the gossip of the day, and there
is hardly a more popular gathering
place in the city.

WAIT FOR MAPS.

Bishop Estate Then Will Give Rail-
road Company Rights.

F. S. Dodge says that as soon as the
trustees of the Bishop Estate receive
the map of the Waialae road and
Bishop Estate lands at Waialae from
Surveyor Baldwin the Hilo Railroad
Company will be at liberty to begin
work on the beach extension in so far
as the portion between the rivers is
concerned. The service cannot begin
until the bridges arrive from the Coast
which will be several months. By May
1st next it is expected that the com-
pany will occupy its new depot in town.

TOOK HIS MONEY.

Japanese Who Was Lured to Ruin
by a Woman.

An unusual case of extortion oc-
cupied three days in Judge Hapai's court
the past week ending in the commit-
tal of Kawachika Isuneki. It appears
from the evidence brought out at the
trial that the defendant in collusion
with his wife enticed Seyoka Bungi to

their home. The victim was led into
the trap by representations on the part
of the woman. At night when Bungi
approached he was seized by the hus-
band and two or three men whom he
had taken into the plot. They found
their victim and stood over him with
a drawn knife threatening instant death
unless he paid a handsome ransom.
The sum first demanded was \$400. Even
in his dire straits Bungi parleyed,
claiming the figure named was a little
too high. The gang finally told him
they would cut their price in half and
make it \$200. This seemed nearer right
and he complied in order to escape with
his life. When free he laid matter be-
fore the police with the above result.

A BALD NEWSPAPER MAN.

Getting a New Crop of Hair and Has
No More Dandruff.

Everybody in the Northwest knows
Col. Daniel Searles, the veteran jour-
nalist and publicist of Butte. Jan. 10,
1900, the Colonel writes: "I used a
couple of bottles of Newbro's Herpicide
with marvelous results. The dandruff
disappeared, a crop of new hair has
taken root and the bald spot is rapidly
being covered." Herpicide is the only
hair preparation that kills the dandruff
germ that digs up the scalp in scales as
it burrows its way to the root of the
hair, where it destroys the vitality of
the hair, causing the hair to fall out.
Kill the dandruff germ with Herpicide.

WANTS AN APRON FROM FAR HAWAII

A Novel Request From an Iowa
Roman Catholic
Fair.

The following letter, received by Miss
Rose Davison, has been handed to the
principal of the Kaulani School, with
the request that the girls in the sew-
ing class comply with the desire there-
in expressed:

Monticello, Iowa, Oct. 11, 1901.
Miss Davison—Pardon me the liberty
I take in writing to you. But as I am
one of the ladies of the committee of the
Sacred Heart Bazaar, and we are tak-
ing various means to get money to pay
off the debt of our church, one lady
struck the novel idea of getting an apron
from each state in the union, and as
many other countries as possible. Not
knowing anyone in Hawaii, I saw your
name in the Chicago American, and so-
licit a donation from you of an apron,
or if you can not, please write at once
to some prominent Catholic, or anyone
you think will send us an apron from
Hawaii. Also if you have any Hawaiian
status I would be most grateful for them.

Respectfully,
MRS. P. J. MARY.
Monticello, Iowa.

Mrs. Frasher, the principal of the
school, says that, at Miss Davison's
request, the sewing class of the school
will make a beautiful apron of linen
and lace, which will be forwarded to
the applicant.
